Buyers Shopping List

What to consider when purchasing

- ⇒ Is the refrigerator engineered to be a flower cabinet or is it actually a drink fridge
- ⇒ Is artwork available to make your flower fridge look more stunning
- ⇒ Does the refrigerator extend the shelf life of flowers
- ⇒ Is the refrigerator whisper quiet
- ⇒ Is the refrigerator Energy efficient ie what does it cost to run
- ⇒ Can I get technical support
- ⇒ Are spare parts available
- ⇒ Is it MEPS approved
- ⇒ Can a service person repair it
- ⇒ What is the operating environment you require eg will the fridge be in air conditioning

June 2016 Edition : All efforts are taken to ensure accuracy but from time to time specs may change without notice

A Florist rated commercial refrigerator allows you to present flowers to your customers in perfect condition.

A Flower Fridge will extend the shelf life of your stock. Extending shelf life means money in your pocket.

Conserve precious cash flow, Flower Fridges 4 U can arrange full finance on your high end equipment . Phone 1300 ORFORD

PlanetSmart™ Technology—what does this mean?

Being PlanetSmart™ is about leaving the planet slightly better than how you found it.

What will your Flower Fridge cost to run

Many florists work from home and the cost of electricity is a major issue for them.

Don't get caught up worrying about electricity costs. Invest in energy efficient refrigeration
